Friends of NESAY NEWSLTR

No Swag Jar

Thanks for displaying the No Swag Jar at your business, allowing donations from your customers. Jars will be collected monthly & funds will be used towards preventing youth homelessness. in Wangaratta.

SAVE THE DATE

Our first ever Friends of NESAY Gala ball has been locked in for the 16th October.

You don't want to miss this so mark it in your diary now!

Welcome Friends

Welcome to our first edition of the Friends of NESAY newsletter. This newsletter will be sent out quarterly to keep our Friends abreast of the work we are doing here at NESAY and the outcomes created by the support of our Friends.

First and foremost, we would like to acknowledge all of our Friends and thank you for your support towards our new community project, "Friends of NESAY" and the No Swag Jar initiative.

Through Friends of NESAY, together we can proudly show our young people in our community that we care about their health and wellbeing and that they are valued, cared for and respected. We can also demonstrate that we don't accept that some young people in our community have nowhere safe to sleep or live.

Our pledge to you is that we will support you to feel that you have clear information about the challenges for young people so you are able to advocate on their behalf and know which services can help when needed.

TOGETHER WE CAN CREATE CHANGE and look for new ways of working so that we can reduce and prevent youth homelessness .

Leah Waring
CEO, NESAY

Friends honour board

To acknowledge and highlight the commitment of our Friends, we will be creating an honour board.

This board will be designed and made by young people, with the assistance of local artists.

The honour board will list all our Friends and be located at the NESAY home.

This way, all young people coming to our home will see the names of those businesses and community groups that support them.
