NO SWAG JAR DONATIONS
\$413.25

Call out to our Friends

Thank you to the 2 businesses that got in touch to be part of our Social Media campaign coming up. We would love to have a few more on board. Please reach out if you can be involved. Noni - 0417 675 403

NESAY Office Hours

NESAY will be closing our virtual doors over the Christmas period. We will be closed from 2pm, Thursday 24th December. And back in the office on 9am Monday, 4th January 2021. (WOW, 2021...)

NESAY Updates

Last week we had the opportunity to reflect on 2019/2020 year as we held our AGM virtually with the NESAY team, Board members and also our Youth Advisory Committee members. It was not the usual celebration that we have become accustomed to, where our community and young people are there beside us to celebrate. It was however a nice opportunity to come together as a whole, despite the absent 'little cakes' being a missed member at the end. Click on the cover image to the right, to see our full year in review edition.

As Victoria slowly opens back up and we become one state again, the team remain working from home, looking to return to our NESAY home sometime in 2021. Despite not being in our office, we are all still working full steam ahead to support our young people, with our programs at or above capacity.

Thank you to you all for continuing to present your 'No Swag Jars' and collecting much needed donations. Furthermore, for looking after those donations as we have not been able to visit on a regular basis to collect these.

Well, who can believe this is our last edition for the year!! I'm not sure any of us could have prepared for the year we've had, but I would like to take this moment to wish you and yours a wonderful festive season ahead. Stay safe, and here's hoping for a smoother 2021. Thank you for being a part of NESAY and showing your support for our Young People. #TogetherWeCan

- Leah, NESAY CEO
