## NO SWAG JARS

Noni will be around in the coming weeks to do a collection of all money from the No Swag Jars. She will make contact prior to heading around.

## CEO Update

Hi Friends,  
It's hard to believe that we are mid April already!

This month NESAY commenced our new service model, which will see a difference in the way that we provide our programs and services. We have created this change to enable our team to be able to be more responsive, mobile and flexible in the way that we provide our programs. It also enables a new way of working with young people and their families – one that creates greater opportunity for them to lead in their intervention with us.

The key highlights of this will mean that:

- Our NESAY home will be open 10am-2pm every work day (or later by appointment) COVID pending
- Our phone and email will be answered 9am-5pm every work day
- Our case practitioners will be able to make appointments with the people they are supporting during 7am-7pm (face to face and online, safety permitting)
- The people we are supporting will choose how and when they see us. We can come to them, they can come to us or we can connect using virtual technology

This new service model has been informed through extensive consultation with the people who use our services, consultation with our team and our key stakeholders; combined with data from our service delivery. - Hope to see you all on the 27th, Leah.

*It's been awhile,  
let's catch up!*

With restrictions easing, we would love to get our Friends together for some coffee and cake, catch up on what has been happening with NESAY and our amazing young people. Come along, meet some of our Youth Advisory Committee members and see how life has been for our young people over the last 12 months.

*When?*

Tuesday, 27th  
April @ 2pm

*Where?*

At NESAY  
86-90 Rowan St,  
Wangaratta

*Why?*

Is coffee a  
reasonable  
answer?

## Beechworth to Bridge

Last month our team took part in the Beechworth to Bridge Walk (B2B) which aims to raise awareness and create conversation about mental health. 73kms were covered over the three days. All that were involved said that it was an amazing experience to be apart of. Hopefully next year we can get some of our Friends of NESAY on board.

## Youth Homelessness Matters Day

Wednesday 21st of April marks Youth Homelessness Matters Day #YHMD2021 - Be sure to keep an eye out on our socials for up to date statistics to share with your networks on the impact this is having in our community. This year's theme is finishing the sentence "The future of youth housing is..." and share on your socials. We would love you all to get involved. Be sure to use #YHMD2021 #EverybodysHome

## No Swag jar

Together we can create real change. Let's be the community that proudly cares and does not accept that any young person should be without a safe home.

## Money Jar Stolen

Unfortunately earlier this year a NESAY Fair Feed jar was stolen from one of our partners. The incident has been reported to Police, but just a reminder to remain vigilant.
