## CEO Update

Hi Friends,

It's hard to believe that it's nearly Christmas already - it feels like the longest and shortest year to date!

Next year we are reenergizing the Friends of NESAY events now that COVID restrictions are less impactful for us all. We look forward to coming together to discuss the needs and identify the opportunities that we can create together for young people in our community. We are also planning to host a gala fundraising ball for next November (3rd time is the charm they say!), where we will have an amazing speaker and the opportunity to come together to celebrate our wonderful young people and our Friends. If there are ideas you have, or information you would like to hear about, please reach out to us.

On behalf of the NESAY family, I would like to wish you and those who are dear to you, a safe, wonderful and happy Christmas.

Leah
