CEO Update

Welcome to our first edition for 2024!

We are excited for a big year with lots of exciting activities, events and projects planned.

Did you know that NESAY turns the big 40 this year! We think it's big cake worthy so stay tuned to hear what event we have planned to celebrate this milestone.

We are also looking to expand and reconnect with all our Friends to reignite our connections and supports to build a stronger community for our young people. Averil will be contacting you soon (if she hasn't already) to find out what support works for you and your business.

Our Education First Youth Foyer plans are well underway, with the tender going out shortly for the building works. For those unfamiliar with the Foyer, it is going to be a 40 bed semi-independent accommodation for young people - to be built at GO TAFE at their Docker St campus in Wangaratta. The foyer will be staffed 24/7 by NESAY, Uniting will manage the tenancy for the young people and GO TAFE will provide independent living courses - all overseen by the Foyer Foundation and the Brotherhood of St Laurence. Needless to say, we are desperately excited for this!

Our fundraising Gala Ball for 2024 has been set - lock the 27 July into your calendars! It will be a great night with wonderful company and fantastic local music to get your feet tapping, all while supporting your local youth & family agency!

For other events or programs that NESAY is offering, please keep an eye on our socials and/or website and please share and share away!

Until next time, take care
Leah

On the 14th of February 2020 we launched our 'Friends of NESAY' Program.

Throw in a pandemic and then a cost of living crisis and our worlds were tossed upside down, which has made things hard for us to fully thrive with this amazing program.

So this month is the RE LAUNCH - We appreciate our amazing Friends who have so much to offer our young people, and who we would love to connect with more.

Keep an eye on our socials as we promote and give recognition to some fabulous businesses and people caring about our community.

Grab your diaries and pop this date in as you won't want to miss out!!!
Be entertained and serenaded by Paris with a delicious 2 course meal and then
dance the night away with Scott and Amanda - Tickets available soon.

Our amazing new mural on the Green Street side of the NESAY building -
Thanks so much to Lisa Bishop and our team of incredible young people.

THANKS FOR TAKING THE PLEDGE

“We will raise awareness of homelessness and
advocate for all young people in our community”
